Shepardson STEM Elementary

Star Stampede *FundRun* Fundraiser
Friday April 29, 2022

Dear Shepardson Families,

We will be holding the Shepardson STEM STAR Stampede on Friday April 29, 2022, and invite all of our students to participate. Help us fund the PTO's purchase of shade structures for the playgrounds while promoting health and wellness.

Students will run or walk laps around a marked course on the school grounds. Parents are welcome to join! We plan on this being a fun team building activity. Students will be able to participate whether they gather pledges or not.

- Our goal is to raise **$5,000.** This year money from the Star Stampede will all go towards shade structures for the playgrounds. ***If every student gathers $20 in pledges, we will easily reach our goal!*** Together we can reach the stars! Credit Card donations from your sponsor can be done at http://shepardsonpto.weebly.com
